

Time – Talents – Treasures

IAWN relies entirely on donations from provinces, dioceses, individuals and trusts.

IAWN welcomes all gifts of time, talent, and monetary assistance. All our efforts go towards living out our mission to advance the cause of justice and well-being for women and girls.

Who Are We?

We are 43 million Anglican women in more than 165 countries.

What Is Our Purpose?

For we are all created in the image of God (Genesis 1.27)

We are a bold and prophetic voice for all women throughout the Anglican Communion working to uphold the God-given dignity of women and girls, to eradicate gender-based inequality and violence, and to promote just relationships among all people.

What Are Our Priorities?

- * Promoting gender equality and the participation of women in all levels of decision-making throughout the Anglican Communion.
- * Sharing the stories of women in the Anglican Communion.
- * Supporting and accompanying Anglicans and others who are working to eradicate all forms of gender-based violence, including human trafficking.
- * Advocating access for all women and girls to education and health care, including reproductive and maternal health care and resources.
- * Advocating the eradication of extreme poverty and hunger, and environmental abuse.

- * Promoting the physical and spiritual well-being of all women and girls, including those from migrant, rural, indigenous and other marginalised communities.
- * Supporting women's sustainable economic empowerment and entrepreneurship, including gender budgeting and auditing.

So How Do I Become Involved in IAWN? Easy!

IAWN encourages all Anglican women to:

- * PRAY for the Anglican Communion and IAWN
- * TALK WITH OTHERS about issues critical to the rights and dignity of women and girls
- * ADVOCATE for a culture of justice and peace within which women and girls can flourish - in our churches, homes, societies and throughout the Anglican Communion
- * ACT on the implementation of Anglican Consultative Council resolutions 16.02, 16.03 and 15.07, and also 13-31 calling for equal participation of women in all decision-making bodies throughout the Anglican Communion (see <http://iawn.anglicancommunion.org/resources.aspx>)
- * LINK UP with IAWN and let your voice be heard.
