## Who Are We?

We are 43 million Anglican women in more than 165 countries.

## What Is Our Purpose?

*For we are all created in the image of God (Genesis 1.27)*

We are a bold and prophetic voice for all women throughout the Anglican Communion working to uphold the God-given dignity of women and girls, to eradicate gender-based inequality and violence, and to promote just relationships among all people.

## What Are Our Priorities?

- \* Promoting gender equality and the participation of women in all levels of decision-making throughout the Anglican Communion.
- \* Sharing the stories of women in the Anglican Communion.
- \* Supporting and accompanying Anglicans and others who are working to eradicate all forms of gender-based violence, including human trafficking.
- \* Advocating access for all women and girls to education and health care, including reproductive and maternal health care and resources.
- \* Advocating the eradication of extreme poverty and hunger, and environmental abuse.

- \* Promoting the physical and spiritual well-being of all women and girls, including those from migrant, rural, indigenous and other marginalised communities.
- \* Supporting women's sustainable economic empowerment and entrepreneurship, including gender budgeting and auditing.

## So How Do I Become Involved in IAWN? Easy!

IAWN encourages all Anglican women to:

- \* PRAY for the Anglican Communion and IAWN
- \* TALK WITH OTHERS about issues critical to the rights and dignity of women and girls
- \* ADVOCATE for a culture of justice and peace within which women and girls can flourish - in our churches, homes, societies and throughout the Anglican Communion
- \* ACT on the implementation of Anglican Consultative Council resolutions 17.02, 17.03, 16.02, 16.03 and 15.07, and also 13-31 calling for equal participation of women in all decision-making bodies throughout the Anglican Communion (see <http://iawn.anglicancommunion.org/resources.aspx>)
- \* LINK UP with IAWN and let your voice be heard.
